One Group
Full Vertical Capability

From raw yarn in China to finished garments delivered DDP in Europe, Matrix controls every stage of the supply chain.

Services We Provide

Matrix Apparels is a full-service private label custom clothing and textile goods manufacturer from concept to the final product. We provide a range of manufacturing options including CPT, CMPT, OEM, ODM, and one-stop-shop solutions to meet customers' diverse requirements.

• Our Delivery

Seamless Logistics

Full door-to-door delivery across EU, UK, and USA. We handle the complexity so you can focus on growth.

Compliance goal •

Audit Ready

Compliance isn't a goal, it's our foundation. Ethical sourcing and safety standards ready from day one.

• Our Brand

Brand Owners Mindset

We think like brand owners because we are brand owners. Proven expertise through our flagship labels.

Our Final Product •

Design to Reality

From initial mood boards to the final product. Our in-house design team bridges the gap between vision and reality.
